The Royal Marines Charitable Trust Fund aims:

Since 2000 some 500 Royal Marines have been wounded or injured on operations, of whom some 240 seriously.

- RMCTF seek to support our wounded and injured in any way we can
- RMCTF seek to improve the quality of life of those who are facing multiple tours in high threat environments and are so very often forgotten.
- RMCTF continue this support long after our people have severed their formal links to the Corps.
- RMCTF Death Grants to next of kin within 48 hours of the event helps remove any immediate financial need at a difficult time.

If you cannot come please send a donation.
