**"DAEDALUS D-DAY 70<sup>TH</sup>"**  
**2<sup>nd</sup> – 4<sup>th</sup> JUNE**

**2014**

Lee-on-the-Solent will play a major role in helping to commemorate the 70<sup>th</sup> Anniversary of the D-Day landings. "Dakotas" will be coming to Daedalus from far and wide to carry volunteer parachutists who will parachute into Normandy recreating the events of those days in 1944.

In **1944**, Daedalus was the busiest D-Day airfield on the South Coast! 435 fighter missions were flown on D-Day.

In **2014**, Lee will host up to 150 parachutists and airmen from all over the world. On 4<sup>th</sup> June, a fleet of Dakotas will launch from Daedalus to drop the parachutists in Normandy.

This event will attract international interest with veterans and aircraft operators attending from many different parts of Europe.

Please support us in making it a Memorial to remember!
